

## Admission Notice – 4<sup>th</sup> Trainers Training Program 2014 - 15

Construction Industry Development Council, the apex organisation established by the Planning Commission, Government of India and the Construction Industry, has emerged as the largest Human Resource Development Institutions over last two decades.

Over 50,000 young persons are imparted vocational skills in construction trades at 137 training Centres of CIDC across the country annually and over 4,17,000 persons, having completed their vocational training are serving the construction industry both in India and abroad.

CIDC invites applications from the experienced and eligible persons, having working experience at construction project sites and are desirous to get formally trained and certified for their skills as Vocational Trainers ( VTs). Such vocational trainers would be able to avail gainful employment with the construction trade training Institutes being run and managed by the Industry with the help and support of CIDC.
