CIDC student placement cell (CSPC)

CIDC student placement cell (CSPC) announces the commencement of the placement initiatives for the candidates evaluated under National Proficiency Evaluation Test (NPET). Under this process, engineering degree and diploma students studying in different streams like Civil, Mechanical and Electrical are being evaluated and graded on a national basis. Interested stakeholders are invited to participate and interact at the NPET workshop.

About NPET

National Proficiency Evaluation Test (NPET) is an independent assessment of Proficiencies of young Engineering Graduates, Diploma holders, Supervisors as well as Construction Workers. NPET also covers Bachelor/Masters' in Management & Architecture.

The National Proficiency Evaluation Board constituted by CIDC is conducting NPET. Under NPET proficiency grading based on Academic Achievements and work experience (for experienced professionals), is being undertaken. Based on this evaluation, a nation wide merit list of candidates is developed. It is made available to the prospective employer organisation to select and employ bright and promising candidates. The testing is based on the generic needs of the employer organisation and is upgraded from time to time. It is conducted for fresh as well as experienced graduates and the scores achieved shall be valid for a period of 3 years from the particular date of test. The Board functions independently under the Chair of Dr. S. A. Reddi, Former Dy. Managing Director, Gammon India Limited, and comprises of eminent project specialists multi discipline - engineering administrators, academicians, top managers etc. A complete list of board members is hosted on CIDC website.

Proficiencies Under Evaluation

- Civil, Electrical, & Mechanical Engineering Graduates
- Bachelor/Masters' in Management
- Diploma in Civil, Electrical, Mechanical Engineering
- General Works Supervisors, Site Accountants, Land Surveyors, Lab Technicians, Store Keeper
- Graduates Architects
- Construction Workers
- Diploma in Architecture

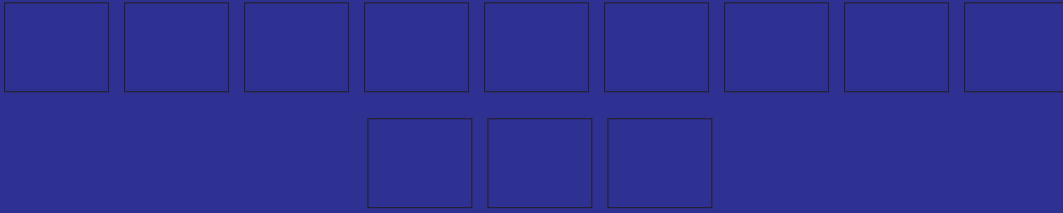

Message

National Proficiency Evaluation Test is the right endeavor undertaken to streamline to construction industry through proper Human Resource at the right moment and stake holders shall benefit from this immensely. As the chairman NPET board I welcome the New Entrances to fascinating world of construction Engineering.

Dr. S. A. Reddi
Chairman, NPET
