

Detail of Professor of Practice & Expert Empanelment

S.N	Name	Area of Expertise	Photos
1	Mr. A. Ramasubramanian Ammamuthu	Roads & highways, Railways & Metro Systems Airports & Aviation Infrastructure, Thermal, Hydro, Solar, and Wind Power Projects, Real Estate, Smart Cities & Affordable Housing ,Industrial, Mining & Oil/Gas Infrastructure, Water, Sewerage, Waste Management & Irrigation, Ports Inland Waterways & Coastal Infra, Dams & Hydropower	
2	Mr. PRADEEP AGRAWAL	Real Estate, Smart Cities & Affordable Housing and Defence, Border Area Infrastructure Railways & Metro Systems, Green & Sustainable Infrastructure,PMC, BIM, GIS & Digital Twin Services	
3	Mr. M. Panneerselvam	Roads & Highways, Projects Planning, Feasibility studies, and DPR Preparation,PMC	
4	Mr. Rajiv Sharma	Real Estate, Smart Cities & Affordable Housing, Water, Sewerage Waste Management, and Green & Sustainable Infrastructure	
5	Mr. Aniruddha Shahapure	Thermal, Hydro, Solar, Wind Power Projects, Green & Sustainable Infrastructure, Skill Development & Curriculum Development, Policy Advisory & Capacity Building	
6	Mr. Milon Mukhopadhyay	U G Construction Problem, Building & Infra Project Problem, Distress Analyst, NDT, DT for Building Repair, Waterproofing and Using Latest Construction Chemical Technology	
7	Er. R. Sanjeevan	Construction, Supervision, Arbitration and Valuation & Third Party Inspection	

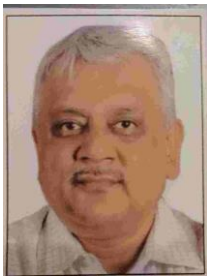

8	Mr. S.BALASUBRAMANIAN	Construction, Supervision and Third Party Inspection, Contract Management & Claim Advisory and Arbitration	
9	Lt Col Gaurav Kaushik (R)	Roads & highways, Real Estate, Smart Cities & Affordable Housing, Water, Sewerage, Waste Management & Irrigation, Warehousing & Logistics, Data Centers & IT Infrastructure – Architecture – Naval Architecture. Project planning, feasibility studies, and DPR preparation	
10	Mr. Onkareshwar Pandey	Developmental Journalism, Urban Infra Communication, and Mobility Studies	
11	Dr. Anjan Kumar Dutta	Detailed engineering & design consultancy	
12	PE Er. Swapneel Raosheb Khandagale	Tick or highlight the sectors where you hold expertise: Data Centers & IT Infrastructure – S14	
13	Hosahalli Dasappa Aravind	Primavera Project Planner, key skills & Software Knowledge in Mention relevant tools/software, E.G. AutoCAD, BIM, MS Project, STAAD Project,	
14	Sri Sarat Chandra Rout	Real Estate, Smart Cities & Affordable Housing, Construction supervision & third-party inspection, Skill development, training, and curriculum development, Project management consultancy (PMC)	
15	Ravinder Galipally	Hospital Project Planning and Construction including Civil, MEP, Clinical planning and project budgets	

16	Azim Yunus Gunderwala	Real Estate, Smart Cities & Affordable Housing Industrial, Mining & Oil/Gas Infrastructure, Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection,- Contract management & claims advisory BIM, GIS, and Digital Twin services, Skill development, training, and curriculum development Project management consultancy (PMC)	
17	Dr. Nagarjuna Pilaka	Roads & Highways, Railways & Metro Systems, Airports & Aviation Infrastructure, Ports, Inland Waterways & Coastal Infra, Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection, Contract management & claims advisory Skill development, training, and curriculum development	
18	Mrs. Chetana Jain	Green and Sustainable infrastructure Detailed Engineering & Design Consultancy	
19	Raj Kumar Kacharla	Green and Sustainable infrastructure Detailed Engineering & Design Consultancy Project Management Consultancy Project planning, Feasibility Studies and DPR preparation	
20	Dr. Virendra Prabhakar Dehadrai	Real Estate, Smart Cities & Affordable Housing, Water, Sewerage, Waste Management & Irrigation, Detailed engineering & design consultancy, Skill development, training & curriculum development	
21	Alok Ranjan Sahoo	Thermal, Hydro, Solar, and Wind Power Projects, Green & Sustainable Infrastructure, Project planning, feasibility studies, and DPR preparation, Detailed engineering & design consultancy, Construction supervision & third-party inspection, Project management consultancy (PMC)	
22	Mr. Rakesh Vinayak Varadkar	Roads & Highways, Railways & Metro Systems, Thermal, Hydro, Solar, and Wind Power Projects, Ports, Inland Waterways & Coastal Infra Dams & Hydropower	

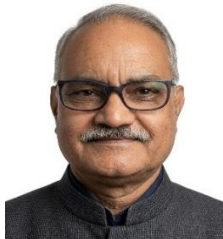

23	Vishal Mittal	Defense and Border Area Infrastructure, Contract management & claims advisory, Project management consultancy (PMC)	
24	Arun Kandasamy	Roads & Highways, Real Estate, Smart Cities & Affordable Housing, Construction Supervision & third- Party inspection, Quality control, testing & certification safety audits & EHS compliance, Skill Development, training and curriculum development, Project management consultant(PMC)	
25	Saandeep Maathur	Concrete Professional, Curator of SM Concrete Circle, A Knowledge Sharing Group With 680 Plus Members From Across The Concrete Industry, Passion for Teaching and taking Sessions On Various Aspects of Concrete technology	
26	Lalit Kumar Sharma	ERP software implementation for Construction and Infrastructure Domain. Implementation for report tools / Bi Tools and MIS. Business Process control mapping. Configurations for Process controls.	
27	Rajdeep Bhattacharya	Roads & Highways Railways & Metro Systems Real Estate, Smart Cities & Housing, Ports, Inland Waterways & Coastal Infra, Green & Sustainable Infrastructure	
28	Nitin Jhanwar	Roads and Highways Water Sewerage Waste Management and irrigation Real Estate Smart Cities and Housing, Green and Sustainable Infrastructure	
29	Sri Nayan Mani Talukdar	Thermal, Hydro, Solar and Wind Power, Industrial, Mining and Oil/Gas Infrastructure	
30	Sanjay Kumar	Railways & Metro Systems Thermal, Hydro, Solar, and Wind Power	

31	Jagadish J S	Roads & Highways Railways & Metro Systems Airports & Aviation Infrastructure Thermal, Hydro, Solar, and Wind Power Real Estate, Smart Cities & Housing Industrial, Mining & Oil/Gas Infrastructure Water, Sewerage, Waste Management & Irrigation Dams & Hydropower Warehousing & Logistics, Data Centers & IT Infrastructure	
32	Dr. Sourav Poddar	Thermal, Hydro, Solar, and Wind Power Industrial, Mining & Oil/Gas Infrastructure Water, Sewerage, Waste Management & Irrigation, Green & Sustainable Infrastructure Healthcare Infrastructure & Services	
33	Dr. Poonam Joshi	Roads & highways, Real Estate, Smart Cities & Housing Industrial, Mining & Oil/Gas Infrastructure Water, Sewerage, Waste Management & Irrigation Ports, Inland Waterways & Coastal Infra	
34	Dr. V.R Senthilkumar	Roads & Highways, Water, Sewerage, Waste Management & Irrigation Ports, Inland Waterways & Coastal Infra.	
35	E Narayanan	Real Estate, smart Cities & Affordable Housing, Data Centres & IT Infrastructure-Architecture-Naval Architecture, Core Services may Include (but are not Limited to) ,Detailed engineering & design consultancy, project management Consultancy(PMC)	
36	Indranil Aich	Valuation/Appraisal Services of Immovable Property & Plant and Machinery, Techno Economic Viability and Lenders Independent Engineers Studies for Banks, Registered Consultant for Lean Implementation, Govt. of India, Carbon Credit Consultant for SDG Implementation, Chartered Engineers Services for EXIM Cargo/End of Life Vehicles Certification/Inventory Management Certification and Turnkey Engineering Projects Consultant	
37	Mr. Manish Arunkumar Dave	Real Estate, Smart Cities & Affordable Housing, Industrial, Mining & Oil/Gas Infrastructure, Project planning, feasibility studies, and DPR preparation, Construction supervision & third-Party- inspection, Quality control, testing & Certification, Safety audits and EHS compliance Contract management & claims advisory, Skill development, training, and curriculum development, project management consultancy (PMC)	

38	Mrs. Sneha Amogh Marathe	Real Estate, Smart Cities & Affordable Housing, Industrial, Mining & Oil/Gas Infrastructure, Warehousing & Logistics,- Data Centers & IT Infrastructure, Architecture – Naval Architecture, Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection Quality control, testing & certification, Quality control, testing & certification, Contract management & claims advisory, Skill development, training, and curriculum development, Project management consultancy (PMC)	
39	Vishal Shah	Roads & Highways, Railways & Metro Systems, Thermal, Hydro, Solar, and Wind Power Projects Real Estate, Smart Cities & Affordable Housing Industrial, Mining & Oil/Gas Infrastructure Water, Sewerage, Waste Management & Irrigation, Detailed engineering & design consultancy Construction supervision & third-party inspection, Quality control, testing & certification, Safety audits and EHS compliance, Skill development, training, and curriculum development Project management consultancy (PMC)	
40	Radha Mohan Rout, IDSE (Retd),psc	Thermal, Hydro, Solar, and Wind Power Projects, Defense and Border Area Infrastructure,- Project planning, feasibility studies, and DPR preparation Detailed engineering & design consultancy Construction supervision & third-party inspection, Quality control, testing & certification, Safety audits and EHS compliance, Contract management & claims advisory, Skill development, training, and curriculum development, Policy advisory & capacity building Project management consultancy (PMC)	
41	Dipanjan Dutta	Roads & Highways ,Railways & Metro System, Thermal, Hydro, Solar, and Wind Power Projects, Real Estate, Smart Cities & Affordable Housing, Water Management, Sewerage, Waste Management & Irrigation, Dams & Hydropower, Green & Sustainable Infrastructure, Project planning, feasibility studies, and DPR preparation Construction supervision & third-party inspection, Quality control, testing & certification Safety audits EHS compliance, Skill development, training, and curriculum development	

42	Dr. Gyanendra Kumar	Real Estate, Smart Cities & Housing, Green & Sustainable Infrastructure	
43	Er. Soumen Mondal	Roads & Highways, Railways & Metro Systems, Airports & Aviation Infrastructure, Thermal, Hydro, Solar, and Wind Power Projects, Real Estate, Smart Cities & Affordable Housing, Industrial, Mining & Oil/Gas, Infrastructure, Water, Sewerage, Waste Management & Irrigation, Ports, Inland Waterways & Coastal Infra, Dams & Hydropower, Warehousing & Logistics, Green & Sustainable Infrastructure, Data Centres & IT Infrastructure – Architecture– Naval Architecture, Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection, Contract management & claims advisory, BIM, GIS, and Digital Twin services, Skill development, training, and curriculum development, Policy advisory & capacity building, Project management, consultancy (PMC)	
44	Pranabesh R Das	Project planning, feasibility studies, and DPR preparation, Detailed engineering & design consultancy, Construction supervision & third-party inspection, Contract management & claims advisory, Skill development, training, and curriculum development, Policy advisory & capacity building, Project management consultancy (PMC)	
45	Sree Baby Premnath	Real Estate, Smart Cities & Housing, Subsurface Infrastructure, Green & Sustainable Infrastructure	
46	Suneet Kumar	Real Estate, Smart Cities & Housing, Green & Sustainable Infrastructure, - Construction supervision & third-party inspection, Quality control, testing & certification, Skill development, training, and curriculum development, Project management consultancy (PMC)	

47	Ramesh Chandra	Roads & Highways, Thermal, Hydro, Solar, & wind Power Projects, Real Estate, smart Cities & Affordable Housing, Dams& Hydropower, Green & Sustainable Infrastructure, Construction supervision & third-party inspection Quality control, testing & certification, Contract management & claims advisory, Project management consultancy (PMC)	
48	Dr. Shuhail Puthiyapura R.	Project Architect, Engineer, Project Manager,Detailed engineering & design consultancy, Project management consultancy (PMC)	
49	Nirmalendu Kargupta	Roads & Highways, Railways & Metro Systems ,Real Estate, Smart Cites & Affordable Housing, Dams & Hydropwer,Green & Sustainable Infrastructure, Quality Control ,testing & Certification , Skill Development, training & curriculum Development	
50	Kailash Chaudhary	Climate Change, Sustainable Infrastructure & amp; Project Management	
51	Subhash Sharma	Roads & amp; Highways, Railways & Metro Systems, Infrastructure Formwork & Staging	
52	Venkatesh Kandikatti	Construction Management, Project Management ,Site Execution, Quality Control	
53	Krishnan Srinivasan	Roads & Highways, Green & Sustainable Infrastructure, Safety audits and EHS compliance, Policy advisory & capacity building, Contract management & claims advisory, Skill development, training & curriculum, Project management consultancy (PMC)	

54	Satish R Vachhani	Construction supervision & third-party inspection ,Quality control, testing & certification, Skill development, training, and curriculum development, concrete technology	
55	Hetal Parikh	Contract Management & Claims Advisory	
56	Ramanjeet Singh Walia	Real Estate, Smart Cities & Affordable Housing Green & Sustainable Infrastructure Quality control, testing & certification Construction supervision & third-party inspection Skill development, training, and curriculum development	
57	Shrimahavishnu Vinjamuri	Airport & Aviation Infrastructure, Real Estate, Smart Cities & Housing, Industrial, Mining & Oil/Gas Infrastructure, Data Centers & IT Infrastructure Healthcare Infrastructure & Services	
58	Ms. Sandhya Kohli	Roads & Highways, Railways & Metro Systems, Real Estate, Smart Cities & Affordable Housing, Contract management & claims advisory	
59	Amit Kathpalia	Real Estate, Smart Cities & Affordable Housing, Defense and Border Area Infrastructure, Project planning, feasibility studies, and DPR preparation, Contract management & claims advisory, Skill development, training, and curriculum development Policy advisory & capacity building, Project management consultancy (PMC)	
60	Prof.(Dr.)Ashok Kumar Tiwari	Roads & highways, Real Estate, Smart Cities & Affordable Housing, Green & Sustainable Infrastructure, Construction supervision & third-party inspection, Quality control, testing & certification, Policy advisory & capacity building, Project management consultancy (PMC)	

61	A. Suthandraselvam	Roads & Highways Railways & Metro Systems Airports & Aviation Infrastructure Thermal, Hydro, Solar, and Wind Power Projects Real Estate, Smart Cities & Affordable Housing Industrial, Mining & Oil/Gas Infrastructure Water, Sewerage, Waste Management & Irrigation Ports, Inland Waterways & Coastal Infra	
----	--------------------	--	--

62	Paul Mathew	Roads & Highways	
63	DR GURUDUTT SAHNI	Thermal, Hydro, Solar, and Wind Power Projects Industrial, Mining & Oil/Gas Infrastructure	
64	Sunil Vasudevan	Roads & Highways, Defense and Border Area Infrastructure	
65	Vinod Kumar Jain	Roads & Highways, Real Estate Smart Cities & Housing	
66	Er.Sankaranarayanan R.V	Real Estate, Smart Cities and Housing	
67	Er. Boda Satheeshkumar	Thermal, Hydro, Solar, and Wind Power Projects, Real Estate, Smart Cities & Affordable Housing, Industrial, Mining & Oil/Gas Infrastructure, Water, Sewerage, Waste Management & Irrigation, Ports, Inland Waterways & Coastal Infra, Warehousing & Logistics, Trenchless/Subsurface Infrastructure, Green & Sustainable Infrastructure, Project planning,	

		feasibility studies, and DPR preparation, Detailed engineering & design consultancy, Construction supervision & third-party inspection, Quality control, testing & certification, Safety audits and EHS compliance, Contract management & claims advisory, Skill development, training, and curriculum development, Policy advisory & capacity building, Project management consultancy (PMC)	
68	Titiya Bharkatkar Nanlal	Real Estate, Smart Cities & Affordable Housing, Water, Sewerage, Waste Management & Irrigation, Green & Sustainable Infrastructure, Quality control, testing & certification, Skill development, training, and curriculum development, Policy advisory & capacity building	
69	Dr. Raju Narwade	Dams & Hydropower, Detailed engineering & design consultancy, Construction supervision & third-party inspection, GIS, Skill development, training, and curriculum development	
70	Gangadhar Rebnal	Road & Highways , Airport & Aviation Infrastructure, Project planning, Feasibility studies, and DPR Preparation, Construction Supervision & third- party inspection, Quality Control, testing & certification, Project management consultancy (PMC)	
71	Mr. Sujeet Kumar	Skill Development & Training, and curriculum development, Policy Advisory & Capacity Building, Project Management Consultancy PMC,	
72	Mr. Parimal Abhay Marathe	Real Estate, Smart Cities & Affordable Housing, Industrial Mining & Oil/Gas Infrastructure, Warehousing & Logistics, Data Centers & IT Infrastructure – Architecture – Naval Architecture. Core services may include (but are not limited to),Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection Quality control, testing & certification, Contract management & claims advisory, Skill development, training, and curriculum development, Project management consultancy (PMC)	
73	Mr. Sumant Kachru	Real Estate, Smart Cities & Affordable Housing, Quality Control, Testing & Certification, Project Management Consultancy and Construction Supervision & Third-Party Inspection	
74	Mr. SAMEER SAWANT	Real Estate, Smart Cities, Affordable Housing & Defense and Border area Infrastructure	

75	Mr. Vinod Kumar IAS (Retd.)	Roads & Highways, Water, Sewerage, Waste Management & Irrigation, Dams & Hydropower, Warehousing & Logistics, Data Centre & IT Infrastructure- Architectures-Naval Architecture	
76	Mr. H. M. SUNDARAM	Contract Management, Claim Advisory and Dispute Resolution in Road & highways, Railway & Metro Systems, Airport & Aviation Infrastructure, Industrial Mining & Oil/Gas Infrastructure and Water ways & Coastal Infrastructure	
77	Dr. Sanna.Ratnavel Sanna	Large Scale System Planning – one credit course (AICTE) Arbitration –One credit course (AICTE) Construction & labor Acts –Three Credits (AICTE) Forensic Engineering –Three Credits (AICTE). Structural Performance Assessment – Govt. of Tamil Nadu Geotechnical Engineering & Remedial Measures – Consultancy and Teaching as Guest Lectures	
78	Mr. Anant Kumar	Large Scale System Planning – one credit course (AICTE)	
79	Mr. Bellamkonda Harsha Vardhan	Roads & Highways, Real Estate, Smart Cities & Affordable Housing, Water, Sewerage, Waste Management & Irrigation, Warehousing & Logistics, Contract management & claims advisory	
80	Mohammad Ehteshamul Haque	Trenchless/ Subsurface Infrastructure, Skill Development, training, and curriculum dev.	
81	Dr. Dilip Srinivas	Real Estate, Smart Cities & Affordable Housing, Green & Sustainable Infrastrure, Project Planning,fasibility studies, and DPR preparation, Construction supervision & third-party inspection Quality control, testing & certification, Safety audits and EHS Compliance, Skill development,trainig ,and curriculum Development.	
82	Er,S G Ashok Kumar	Roads & Highways, Airports & Aviation Infrastructure, Green & Sustainable Infrastructure, Construction Supervision& Third party Inspection Skill Development & training, Curriculum Development	

83	Pradumn Kumar Dixit	Pipeline Engineering in Oil & Gas Sector, City Gas Distribution Projects including LNG Stations, Large Scale Industrial Projects, Management Advisory Services. Lender's Independent Engineer Services, Feasibility Studies Including Market Surdives,Project management (consultancy and EPC Mode) Contracts Management,Decarbonization and Hydrogen Energy Projects	
84	Nagesh Puttaswamy	Roads & Highways, Quality control, testing & certification, Skill development,trainig, and curriculum development, Concrete in Extreme climatic condition	
85	Dr. Ahmad Fazan Inam	Skill Development, training, and curriculum development, Project management Consultancy (PMC)	
86	Anjaneya Murthy	Railways & Metro Systems, Airports & Aviation Infrastructure, Industrial, Mining & Oil/Gas Infrastructure, Ports, Inland Waterways & Coastal Infra, Detailed engineering & design consultancy, BIM, GIS, and Digital Twin services, Skill development, training, and curriculum development	
87	Pavnesk Kumar	Tick or highlight the sectors where you hold expertise, Architectural Engineer & Valuer	
88	Sanjay Kumar	Roads & Highways, Airports & Aviation Infrastructure, Real Estate, Smart Cities & Housing, Water, Sewerage, Waste Management & Irrigation, Defense and Border Area Infrastructure, Green & Sustainable Infrastructure	
89	Mr. Parimal Abhay Marathe	Real Estate, Smart Cities & Affordable Housing, Industrial Mining & Oil/Gas Infrastructure, Warehousing & Logistics, Data Centers & IT Infrastructure – Architecture – Naval Architecture. Core services may include (but are not limited to), Project planning, feasibility studies, and DPR preparation, Construction supervision & third-party inspection Quality control, testing & certification, Contract management & claims advisory, Skill development, training, and curriculum development, Project management consultancy (PMC)	
90	Subhash Sharma	Roads & Highways, Railways & Metro Systems, Infrastructure Formwork & Staging	

91	Rajiv Nehru	Roads & Highways, Thermal, Hydro, Solar, and Wind Power Projects, Real Estate, Smart Cities & Affordable Housing Green & Sustainable Infrastructure Project planning, feasibility studies, and DPR preparation Skill development, training, and curriculum development, Policy advisory & capacity building, Project management consultancy (PMC)	
92	Vikas Mittal	Roads & Highways, Real Estate, Smart Cities & Affordable Housing, - Defence and Border Area Infrastructure
