

# Vishwakarma Awards 2011

## NBM&CW Makes it Again

Mr. P.C.Sharma Chief Editor receiving the CIDC Vishwakarma Awards 2011.

NBM&CW, a civil engineering magazine of global repute, was conferred with CIDC Vishwakarma Awards-2011 for the second consecutive year in a row. CIDC, which is a statutory body functioning under the direct control of Planning Commission, confers prestigious annual awards in multiple categories for individuals and organizations for their immense and outstanding contribution to the construction industry.

NBM&CW's Group Managing Editor, Mr. S A Faridi, received the

Best Journalist Award for the year 2011 for his in-depth editorial work and relentlessly championing the cause of the construction industry through his rare and innovative research work and write ups published and highlighted in NBM&CW, MGS Architecture, India Construction Week, Indian Infrastructure & Tenders Week and also in the world's largest civil engineering web portal, [www.nbmcw.com](http://www.nbmcw.com).

In the Best News Magazine category, NBM&CW was conferred

with Vishwakarma Award straight for second year and Mr. P. C Sharma, Chief Editor who's associated with the publication for last 12 years received the award on behalf of magazine.

NBM&CW, a globally acclaimed civil engineering magazine and a premier publication of NBM Media Group over a period of time has emerged as the one stop source of information on construction management, project management, construction equipment & machinery, building materials and material handling technologies. For its in-depth coverage of topics related to the construction industry, the magazine has emerged as India's largest, well established and widely circulated monthly journal on civil engineering.

Coinciding with its foundation day, which is celebrated on March 7 every year, CIDC confers these awards to individuals/organizations for their outstanding contribution in championing the cause and progress of construction industry in India. CIDC is dedicated to work relentlessly towards promoting best practices in the Indian construction industry and also helping the publication immensely on its march to gain a global stature.
