**Sub: Executive Development Program on “Quality Control and Quality Assurance in Concrete Construction” on 26<sup>th</sup> & 27<sup>th</sup>, September 2011 at Bangalore.**

Dear Sir,

As you are aware, Construction Industry Development Council (CIDC), established by the Planning Commission, Govt. of India and the Construction Industry with unrelenting support from its Member organizations, State Govt Dept, PSUs, and other concerned agencies has made tremendous strides in organizing the construction sector in the country.

As part of our endeavours to intensify training initiatives we are organizing specialized training programs for the working professionals to update their knowledge in their respective fields. The next program will be focusing upon the very important issue of **“Quality Control and Quality Assurance in Concrete Construction”**.

Concrete is a most widely used construction material in the Country. However, concrete is also the most misused material in the Country, resulting enormous wastage of cement. The concrete mix proportioning is not being done scientifically with a view to economy, strength & durability. The program will address the issues.

I am sure this would be of much relevance for your professionals and look forward to welcome your nominees for the program.

**The topics would be covering are:**

1. Concrete Construction in 21<sup>st</sup> Century
2. Concrete Making Materials
3. Special Concrete, RMC
4. Current Developments in Concrete Construction
5. HSC / SCC / HPC / Light Weight Concrete
6. Audit for Quality Concrete Construction
7. Mechanization of Concrete Construction
8. Formwork, Reinforcement

**Course Director: Dr. S. A. Reddi**

**Dr. Reddi is Former Dy. Managing Director. Gammons India Ltd.** He has over 50 years of experience in the field. He is also a visiting faculty for a number of Universities.

Kindly let us know the number of persons you would be nominating so that necessary arrangement could be made. Participation can only be treated as confirmed upon written confirmation from our end.
